

## GO GLOBAL AWARDS 2022 participation

The North-East Regional Development Agency will participate together with a delegation from the NE Region in this year's GO GLOBAL AWARDS.

The International Trade Council's Go Global Awards celebrate the companies that are driving the economy forward through their innovations, technologies and strategies.

The Awards bring together hundreds of senior executives from some of the world's most innovative manufacturers, re-manufacturers and exporters, along with representatives from government bodies, trade associations, venture capital firms and financial institutions.

While the Go Global Awards offer the opportunity to be recognized and honored by their peers it also goes beyond winning trophies and citations. The program aims to build a community of manufacturers, exporters and related service providers to support one another, share ideas, create partnerships and build on their existing knowledge and connections.

Winners gain access to unique international platforms through the extensive International Trade Council's network of more than 176 countries and over 418 professional organizations worldwide.
